

Caring for People and Places in Rural Wales

Gofalu am Bobl a Lleoedd yng Nghymru Wledig

Manifesto for National Assembly for Wales Elections 2011

Maniffesto ar gyfer Etholiadau Cynulliad Cenedlaethol Cymru 2011

We want you to

- Declare that “All rural places and landscapes in Wales matter”
- Value, protect and enhance the front line public service benefits that all Welsh landscapes and rural life provide

To do this we believe your Party must

- Maintain the robustness and diversity of Wales’ rural assets
- Advocate the highest standards of stewardship to safeguard their integrity and well being
- Direct change to enable places and communities to adapt but remain durable

We believe your Party should publish a comprehensive and inclusive **Strategy for Rural Place** which builds the links between **People and Places** and proves how this will be achieved.

Rydym am i chi

- Ddatgan bod “holl ardaloedd a thirweddau gwledig Cymru yn bwysig”
- Werthfawrogi, diogelu a gwella’r buddion gwasanaethau rheng flaen a ddarperir gan holl dirweddau a bywyd gwledig Cymru

Er mwyn gwneud hyn credwn fod yn rhaid i’ch Plaid

- Gynnal cryfder ac amrywiaeth asedau gwledig Cymru
- Gefnogi safonau uchaf stiwardiaeth er mwyn diogelu eu cyfanrwydd a’u ffyniant
- Reoli newid i alluogi lleoedd a chymunedau i addasu ond i aros yn wydn

Credwn y dylai eich Plaid gyhoeddi **Strategaeth Lleoedd Gwledig**

gynhwysfawr a chynhwysol, sy’n canolbwyntio ar y cysylltiadau rhwng **Pobl a Lleoedd** ac yn nodi sut y caiff hyn ei gyflawni.

**An uncluttered countryside requires uncluttered thinking!
Rural Wales deserves only the best**

Embedding these core messages into Welsh Assembly Government policy will ensure that your Party

- Directs rather than responds to the changes affecting the rural areas of Wales,
- Prevents the loss of the critical public service benefits that diverse and high quality landscapes and Wales' collection of environmental and heritage resources provide.

**Trefn ar feddwl, trefn ar gefn gwlad!
Dim ond y gorau i Gymru Wledig**

Bydd ymgorffori'r negeseuon craidd hyn ym mholisi Llywodraeth Cynulliad Cymru yn sicrhau bod eich Plaid yn

- Rheoli yn hytrach nag yn ymateb i newidiadau sy'n effeithio ar ardaloedd gwledig Cymru,
- Atal colli'r buddion gwasanaeth cyhoeddus hanfodol a ddarperir gan dirweddau amrywiol o ansawdd uchel a chan gasgliad Cymru o adnoddau amgylcheddol a threftadol
