This is the description of the proposed **31 Turbine Wind Farm on Radnor Forest**
& the impacts BUTE has decided it will have.

You can respond to BUTE about their project for their obligatory **STATUTORY PUBLIC CONSULTATION**
until midnight 24th June. nant.mithil@bute.energy

BUTE may change some things they have told us so far before submitting their -
FULL APPLICATION to PLANNING & ENVIRONMENT DECISIONS WALES (PEDW)

BUTE must submit a report on the public responses to this consultation with their Full Application. The
Welsh Planning Inspector will see this and the public will get another chance to respond to the Full
Application. When the time comes (BUTE says this Autumn), all the Full Application documents will be
on the DNS PEDW website - go to "search for applications" and scroll through the pages.
