

CPRW: NANT MITHIL (BUTE'S RADNOR FOREST WIND ENERGY PARK)

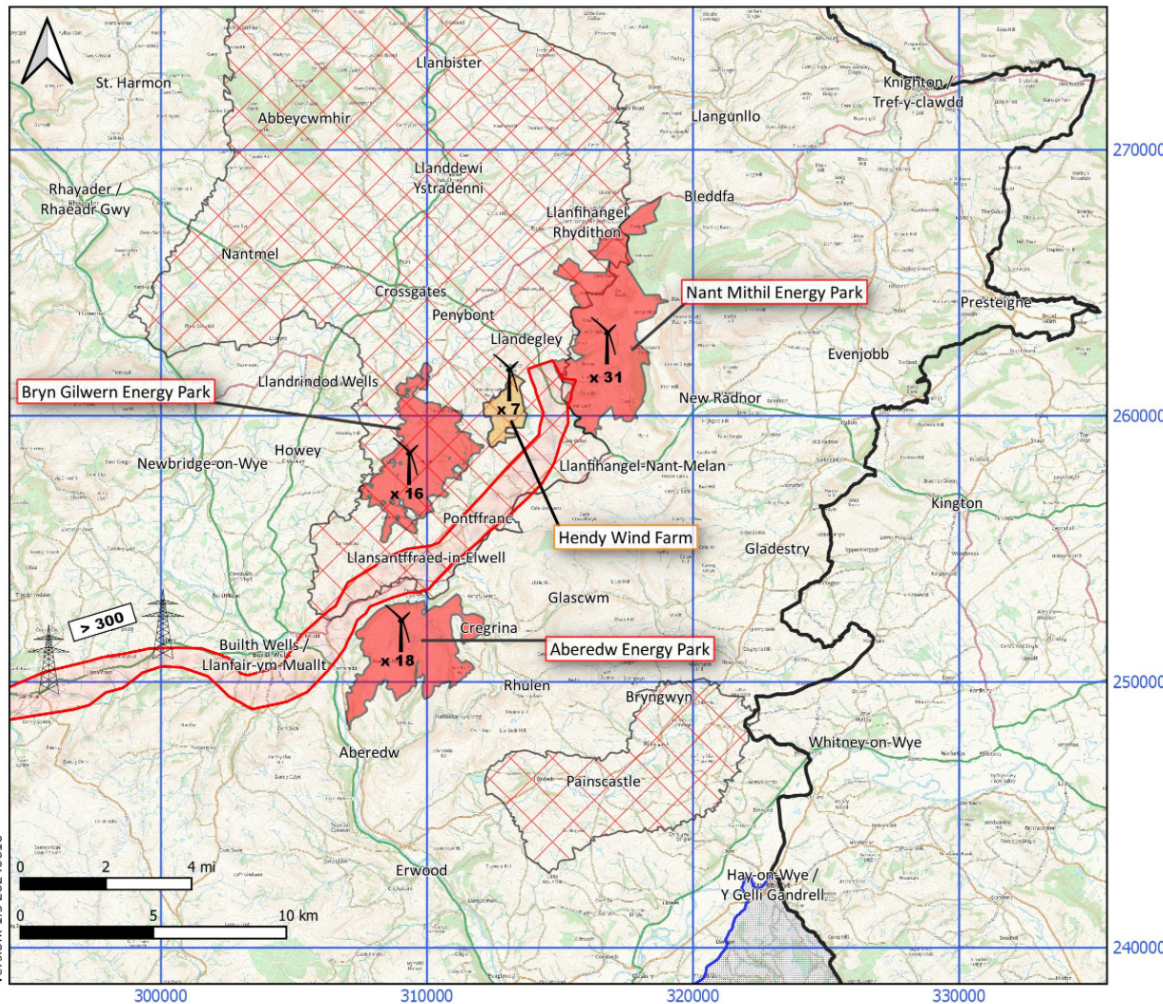

your **DAILY DOSE** no 18.

CUMULATIVE IMPACT OF BUTE PROJECTS

CPRW NEW MAP . . . Statutory Public Consultation . . . BUTE has not told the whole story!

Bute's Nant Mithil scoping response

Bute Energy's Proposed Wind Farms for the Radnorshire Hills

Planning and Environment Decisions Wales has told Bute to describe cumulative impacts with the other major energy projects coming forward.

BUTE refused to listen.

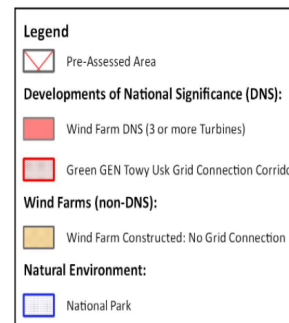

They have not added in any of the impacts of any other BUTE project.

there are three very close BUTE projects shown here

- Bryn Gilwern Energy Park – 16 giant turbines
- Aberedw Hill Energy Park – 18 giant turbines
- GreenGEN 60-mile overhead electricity line

and three more BUTE projects, near Llanidloes

- Banc Du Energy Park – 7 giant turbines
- Rhwilas Energy Park – 15 giant turbines
- GreenGEN 20-mile overhead electricity line
